A New Face On An Old Favorite!

Tom Allen, owner and operator of the three *original* South Bend King Gyros locations, has re-branded his restaurants to - **T. Allen's King Gyros!**

You've most likely noticed our newly remodeled stores and new signs. We're very excited about our new look and are happy to continue serving you the delicious food items that you've come to love!

The re-branding is an effort by Tom Allen to separate and distinguish his three popular restaurants, which have operated for over 30 years, from other unaffiliated stores with the same or similar name. So the next time you want a delicious meal that offers something for everyone, come out and visit one of the three *original* **T. Allen's, King Gyros** locations, where it all started...
